## 6. Evaluation of the applications and publication of the results

### Weight of the different curricular valuation criteria

- a) Detailed CV evaluation, regarding the requirements for admission
- b) Interview (optional - 30%)

If the jury decides to obtain further clarifications and additional information about the curricular elements presented, the best candidates classified on the basis of the curriculum may be called for an interview.

Candidates are excluded from admission to this call if they do not fill out their application correctly or do not meet the obligatory admission requirements. If in doubt, the jury may ask any candidate additional documents in support of their statements.

False statements made by candidates will be sanctioned in accordance with the law.

The jury will draw up minutes of its meetings, which can be consulted at the candidate's request within 10 working days after the selection results are released.

The jury deliberates by means of a reasoned roll-call vote according to the evaluation criteria, with no abstentions allowed, and draws up a list of excluded and admitted candidates, ordered by respective classification.

All candidates are notified of the selection results by email. After notification, candidates have 10 working days to comment.

In the 90 days following the deadline for submission of applications, the jury's final decision is made. Subsequently the institute Director, who is also responsible for the final decision of hiring, will ratify the decision of the jury.

This call is intended exclusively to fill the indicated position on offer and may be canceled before the final results are ratified by the Director. Accordingly, the position will no longer be available.

## 7. Submission of applications

Applications must include all the documents proving that they fulfill the admission requirements, namely:

- a) Copy of certificate or diploma of the highest degree (BSc or higher);
- b) Detailed Curriculum Vitae;
- c) Cover letter;
- d) Other documents deemed relevant by the candidate, regarding the admission criteria.

The submission of applications is digital, in pdf format, from 8 to 21 April 2026, in the following link:
